EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William H. Mandir (Reg. No. 32,156) on 1/19/2007.

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 1/19/2007, William H. Mandir (Reg. No. 32,156) requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 19-4880 the required fee of \$120 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 11-13.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

In view of the declaration of Jonathan Goldstone submitted on 1/8/2007, Little does not qualify as prior art under 35 USC 102 (e). Accordingly, the rejection under 35 USC 102 (e) as being anticipated by Little is withdrawn.

The Article by Wireless NewsFactor, "Security App Encrypts Attachments for PDAs" by Mike Mayor, does not disclose, teach or suggest: the recipient's mobile device being unable to decrypt the encrypted electronic message, a message retrieval device operable to receive the encrypted electronic message and provide a notification message to the recipient's mobile device indicating that the encrypted electronic message has been received by the message retrieval device, and to decrypt the encrypted electronic message; and wherein the recipient's mobile device is operable to receive said decrypted electronic message from said message retrieval device, in a format that is different from a format of the encrypted electronic message, as claimed in claim 29.

The Article by Wireless NewsFactor, "Security App Encrypts Attachments for PDAs" by Mike Mayor, does not disclose, teach or suggest: a message retrieval device associated with the specified recipient operable to receive the encrypted electronic message and provide a notification message to the mobile device indicating receipt of the encrypted electronic message by the message retrieval device; wherein said mobile device being operable to receive the notification message from said message retrieval device and in response thereto provide a secret password to said message retrieval device to initiate decryption of the encrypted electronic message, wherein said message retrieval device is further operable to convert the decrypted electronic message into a

format that is compatible with the mobile device, and to transmit the converted decrypted electronic message to the mobile device, as claim in claim 1.

Furthermore, the Article by Wireless NewsFactor, "Security App Encrypts Attachments for PDAs" by Mike Mayor, does not disclose, teach or suggest: a specified recipient's mobile device that is unable to decrypt the encrypted electronic message, a message retrieval device operable to receive the encrypted electronic message and provide a notification message to the mobile device when the encrypted electronic message is received by the message retrieval device; a proxy device operable to receive the encrypted electronic message from the message retrieval device when the recipient's mobile device provides a proxy instruction to said message retrieval device and operable to decrypt and transmit a decrypted electronic message to said recipient's mobile device when the recipient provides a password to said proxy device, as claimed in claim 15.

Claims 10, 14, 21, 26, 27 and 28 recite similar claim features and/or limitations and are found to be allowance for the same or similar reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
